

INTRODUCING

**SUMMER
BREAK 50%**

Take a Vacation from High Summer Electricity Bills with Half Off Your Energy Charges from June Through September.

Now, Customers can get an automatic 50% price break when they need it most – the grueling hot days of the Texas summer. That is half off their energy charges when the AC is running nonstop and electricity bills can soar.

Summer Break Savings

It's simple. Customers automatically get 50% off their energy charges for usage in the calendar months of June, July, August and September. There are no hidden fees or charges. The discount does not apply to any passthrough TDU charges.

Year-Round Protection

Summer savings are what makes this plan so cool, but a fixed energy charge also means protection from the volatile wholesale energy market all year long.

Perfect for Texans

The Summer Break plan provides relief when Texans need it most. It's perfect for anyone who wants a break from high summer electricity bills.

For Consultants

This cool new product gives you the perfect option to offer potential customers who have peak summer usage and are looking for relief during the hot summer.
